

Pacific Southwest Region
2014-2015 Scholarships

The Pacific Southwest Region of the American Society for Photogrammetry and Remote Sensing (formerly the Northern California and Southwest US Regions) is excited to offer three scholarships for the 2014-2015 academic year. One scholarship will be awarded to a student studying photogrammetry, one to a student in GIS, and one to a student studying Remote Sensing. Each award will consist of \$1,000 and a one-year membership at the appropriate level, either the Associate or Student.

In order to be eligible for consideration, the applicant must be an active student member of ASPRS. A completed application and current transcript must be submitted for consideration no later than December 26, 2014. The application form is available on the old Northern California Region website - <http://www.asprs.org/a/norcal/events.html> - which may be accessed through the Regions tab at ASPRS.org.

All submissions should be made to the chair of the Awards committee:
